**“TRAVELLERS TALES:
Adventure and expeditions through objects”**

Informal evening in association with RGS

To coincide with the BBC's 'History Through 100 Objects' we have planned an informal evening to explore the tales that objects tell that have been brought back from distant lands. Armchair travel from the Indian Ocean to South America, from kayak paddles to corn grinders – and a sprinkling of Ruskin's own trophies, of course! Serious and light hearted – depending on the object of choice!
